## INTRODUCTION

This Amendment No. 3 (this “Amendment No. 3”) amends and supplements the Rule 13e-3 Transaction Statement on Schedule 13E-3 filed with the Securities and Exchange Commission (the “SEC”) on October 5, 2023, as previously amended and supplemented by Amendment No. 1 to Schedule 13E-3 filed with the SEC on October 20, 2023 and Amendment No. 2 to Schedule 13E-3 filed with the SEC on November 2, 2023 (as amended by this Amendment No. 3, this “Schedule 13E-3”), pursuant to Section 13(e) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), by Safeguard Scientifics, Inc., a Pennsylvania corporation (the “Company”). This Amendment No. 3 is being filed with the SEC concurrently with the filing of the Company’s definitive additional materials under Regulation 14A promulgated under the Exchange Act, a copy of which is attached hereto as Exhibit (a)(iii), to supplement the definitive proxy statement filed by the Company with the SEC on November 2, 2023 (the “Proxy Statement”) pursuant to Regulation 14A under the Exchange Act.

At the Company’s 2023 Special Meeting of Shareholders (the “Special Meeting”), the Company’s shareholders of record will consider and vote on proposals to amend the Company’s Second Amended and Restated Articles of Incorporation, as amended (the “Articles of Incorporation”), to effect a reverse stock split (the “Reverse Stock Split”) of the Company’s common stock, par value \$0.10 per share (the “common stock”), followed immediately by a forward stock split of the Company’s common stock (the “Forward Stock Split,” and together with the Reverse Stock Split, the “Stock Splits”), at a ratio (i) not less than 1-for-50 and not greater than 1-for-100, in the case of the Reverse Stock Split (the “Reverse Stock Split Ratio”), and (ii) not less than 50-for-1 and not greater than 100-for-1, in the case of the Forward Stock Split (the “Forward Stock Split Ratio” and, together with the Reverse Stock Split Ratio, the “Stock Split Ratios”), with the exact Stock Split Ratios to be set within the foregoing ranges at the discretion of the Company’s Board of Directors (the “Board”) (and, in all cases, with the Forward Stock Split Ratio being the inverse of the Reverse Stock Split Ratio), without further approval or authorization of shareholders and with the Board, in its sole discretion, able to effect the Stock Splits immediately following the public announcement of the Stock Split Ratios or to elect not to effect the proposed Stock Splits (whether or not authorized by the shareholders) or to abandon the overall Transaction (as defined below) at any time (“Stock Split Proposals”).

If the Stock Split Proposals are approved by shareholders at the Special Meeting and the Board decides to proceed with the Stock Splits, it will then determine the Stock Split Ratios and direct the Company to file with the Pennsylvania Department of State Articles of Amendment to the Articles of Incorporation to effectuate the Stock Splits, which would likely occur immediately following the public announcement of the Stock Split Ratios chosen by the Board, at which date (the “effective time”) a shareholder of record owning immediately prior to the effective time fewer than a minimum number of shares, which, depending on the Stock Split Ratios chosen by the Board, would be between 50 and 100 (the “Minimum Number”), would be entitled to a fraction of a share of common stock upon the Reverse Stock Split and will be paid cash in lieu of such fraction of a share of common stock, on the basis of \$1.65, without interest, for each share of common stock held by such holder (the “Cashed Out Shareholders”) immediately prior to effective time and the Cashed Out Shareholders would no longer be shareholders of the Company. Shareholders of record owning at least the Minimum Number of shares immediately prior to the effective time (the “Continuing Shareholders”) would not be paid cash in lieu of any fraction of a share of common stock such Continuing Shareholders may be entitled to receive upon the Reverse Stock Split and, upon the Forward Stock Split, the shares of common stock (including any fraction of a share of common stock) held by such Continuing Shareholders after the Reverse Stock Split will be reclassified into the same number of shares of common stock as such Continuing Shareholders held immediately prior to the effective time. As a result of the Forward Stock Split, the total number of shares of common stock held by a Continuing Shareholder would not change due to the Stock Splits.

The primary purpose of the Stock Splits is to enable the Company to reduce the number of record holders of its common stock below 300, which is the level at or above which the Company is required to file public reports with the SEC. As described in the Proxy Statement, the Board will consider various factors in determining the Stock Split Ratios; however, the Company believes that any Reverse Stock Split Ratio within the proposed range would reduce the number of record holders below 300. The Stock Splits are being undertaken as part of the Company’s plan to suspend its duty to file periodic and current reports and other information with the SEC under the Exchange Act. As described in the Proxy Statement, the Board has determined that the costs of being a public reporting company outweigh the benefits thereof. The actions the Company would take to suspend, and events that occur as a result of such actions that would have the effect of suspending, the Company’s reporting obligations under the Exchange Act, also referred to as the “going dark” transaction, including effectuating the Stock Splits, delisting the Company’s common stock from trading on The Nasdaq Stock Market LLC, terminating the registration of the Company’s common stock under Sections 12(b) and 12(g) of the Exchange Act and suspending the Company’s reporting obligations under Section 15(d) of the Exchange Act, are collectively referred to as the “Transaction”. After giving effect to the Transaction, the Company will no longer be subject to the reporting requirements under the Exchange Act or other requirements applicable to a public company, including requirements under the Sarbanes-Oxley Act of 2002 and the listing standards of any national securities exchange.

The information contained in the Proxy Statement, including all annexes thereto, is expressly incorporated herein by reference and the responses to each item of this Schedule 13E-3 are qualified in their entirety by reference to the information contained in the Proxy Statement. Capitalized terms used but not defined herein have the meanings ascribed to such terms in the Proxy Statement.

All references to subsections in the Items below are to the subsection of the applicable Item in Regulation M-A.
